NOTE FOR: Chief, Intelligence Institute

Art:

1. Please have the SPO call Mr. Hasenkamp and tell him that we regret it is not possible to set up a session of the White House Fellows with our Director as requested in the attached letter to Mr. Colby. Instead, I suggest the SPO offer Mr. Hasenkamp a choice of no more than three dates in the next six weeks for the White House Fellows to have lunch at the Agency and receive our Brookings-type briefing. (Be sure Mr. Hasenkamp is aware they will have to pay for the lunch.) As an alternative, the SPO might agree to send a senior official to meet with the Fellows at a luncheon or dinner meeting hosted by them. (I am thinking of someone like Proctor, Duckett, Knoche, or Walsh.)

2. Please advise on the results of this contact so that I may advise
